REQUEST FOR CORRECTED FILING RECEIPT

Commissioner for Patents
Office of Initial Patent Examination
Filing Receipt Corrections
Fax #703-746-9195

Sir:

Request for Corrected Filing Receipt was submitted in the above-referenced application on May 13, 2003 for adding -- JAPAN 2001-180823 05/14/2001 -- to the Foreign Applications section. In the Response to Request for Corrected Filing Receipt (Confirmation No. 3393) mailed May 09, 2003 from the Customer Service Center, however, the request was denied on the ground that said application JAPAN 2001-180823 was filed over a year prior to the filing date of this application.

Please be reminded that the present application claims priority on PCT application PCT/JP02/04275 which was filed on April 26, 2002 by claiming priority on said Japanese patent application and designating the United States. It should therefore be concluded that the present application can properly claim priority on said Japanese patent application through said PCT application.

It is therefore requested to reconsider the request and, if there has been a change in the relevant rules, to inform the undersigned attorney thereof in detail.

It is believed that no fee should be due. However, the Commissioner is authorized to charge any fees that may be due to Deposit Account 500388 (Order No. NMCIP038).

Respectfully submitted,
